

Real Bosch!

Charge while driving

Blue Performance
Simply more.

NEW! Professional Wireless Charging Bay

Charge your batteries when you're on the move! The Bosch Professional Wireless Charging System enables 2 batteries (one on the tool and one loose) to charge while inside the L-BOXX – just load the L-BOXX into the charging bay and charge as you drive!

See web-site or contact your Bosch stockist for further information.

How to collect up to £500 in cash back offers on selected Bosch Professional Power Tools, available via the FREE Bosch Toolbox App!

It's easy to collect your cash!

These 3 simple steps should take you less than a few minutes on your Smartphone:

- 1 Download the **FREE** Bosch Toolbox App via Google Play Store or iTunes app store
- 2 Create a **simple profile**
- 3 When prompted by the App, **take a photo of your receipt** on your Smartphone and email it via the App (note: your receipt must be for one of the products specified in this booklet, dated within the promotion period)

And then Bosch will do the rest! We'll transfer the cash directly to your account!

Offer only available via the Toolbox App; terms & conditions apply – see these on-line at www.bosch-professional.co.uk/bonusbangbonanza

As well as Bonus Bang cash back offers your Bosch Toolbox App performs many other useful functions:

Report sheet – Record details of each job: Hours worked; tasks completed; materials used and convert to PDF for client signature!

Building documentation stores notes, audio memos, photos & videos for fast and reliable data exchange between colleagues, managers, clients and other professionals.

3 Year warranty registration now via the Toolbox App as well as the ability to organise Repair collection, Dealer locator, Measurement camera and our entire Professional Power Tool range and accessories.
