# YOU CAN RELY ON BOSCH – NO MATTER WHAT HAPPENS.

Our Quality Counts. With the Blue product range Bosch not only offers you powerful and high-quality professional power tools but also supports you with a complete service package. In addition to this you have the reassurance of a 3-year warranty that now comes as standard.

## 3-YEAR WARRANTY.

Our high quality actually means something. For professional blue power tools and measuring tools from Bosch it means a 3-year warranty on purchases made on or after 1st September 2004.

For you as a professional user this means a warranty **three times longer** than the warranty required by law – **absolutely free**. All you have to do is register your new tool within 4 weeks after purchase at [www.boschpowertools.co.uk](http://www.boschpowertools.co.uk)

Note: cordless screwdrivers, high-frequency and pneumatic tools, supplied accessories, battery packs and battery chargers are excluded from this offer. Our current warranty conditions apply for the processing of warranty services.

## REGISTRATION.

Go to [www.boschpowertools.co.uk](http://www.boschpowertools.co.uk) and you will see the 3-year warranty featured on the home page; click on this. Your 3-year warranty registration form will appear on screen; fill this in on-line and either print it out or save it on disk. In the event of a warranty claim, simply submit this slip together with your receipt.
