It's great to have a man about the house. It's even better when he has an IXO.

Do you like tools that get the ball rolling when you have new ideas? Then try an IXO, and you'll get the hang of any screwdriving job in no time. Simply screw the home-made wool ball holder in place, and everything will knit together nicely. Find more original IXO moments at www.bosch-ixo.com.

Small, but big on practicality.

Is housework child's play to you? You can use the practical cutting adapter to make your little darling a big help with the cleaning. Finding even more great IXO moments is child's play at www.bosch-ixo.com.

The IXO has a few tricks up its sleeve, too.

Are you bored without your boards? Then how about an idea to liven up your bedroom? With the IXO and a few screws, you'll be dreaming better in no time. Find more off-the-wall IXO moments at www.bosch-ixo.com.

Even the best can be made better.

Whatever you plan to do, the new IXO will help you get the most out of your projects with its improved ergonomics, shorter charging times, higher battery capacity and new lighting system.

New PowerLight

The white LED light can be used in both scattered and spot light mode

Lithium-ion

No memory effect, always ready to use and no self-discharge thanks to lithium-ion technology

More runtime

The high-performance cell with 1.5 Ah enables you to work for longer with one cell charge

Ergonomic design

Improved ergonomics enable intuitive use and multiple gripping positions

New USB charger

Not only has the charging time been reduced, the new charging cable can now be connected to any USB interface
