Stock No.07629**Part No.TTB2****INSTRUCTIONS****11/2011****DRAPER**[®]

SAFETY INSTRUCTIONS

- **DO NOT** pull this product, only push the product to prevent personal injury.
- **DO NOT** alter this product by welding attachment or adding electrical equipment. Do not mount this product on a moving object or vehicle.
- **DO NOT** tow this product with moving equipment or vehicles as this may cause product to tip.
- **DO NOT** stand on top of unit as this may cause the product to tip.
- Maximum product weight (including contents) should not exceed 135kg (300lb).
- **DO NOT** use the product on uneven surfaces or inclines as this may cause the product to tip or become unstable resulting in possible personal injury or product damage.

- **UNPACKING:** Carefully unpack and spread out all parts in a large uncluttered area. Familiarise yourself with all parts and compare them with the drawing below to make sure none are missing. Read all assembly instructions before beginning.
After removing the packing material, make sure the product is in perfect condition and that there are no visible damaged parts. If in doubt, do not use the product and contact the dealer from whom it was purchased.
The packaging materials (plastic bags, polystyrene, etc.), must be disposed of in an appropriate refuse collection container. These materials must not be left within the reach of children as they are potential sources of danger.
- **TOOLS REQUIRED:**
 - 10, 13 & 14mm wrench or socket for nuts and bolts.

During assembly do not tighten bolts until all components are aligned properly, then tighten fully.
