

Norman is a real person and is our expert head of Quality Assurance. Norman appears here to bring to your attention features, technical or quality issues.

More importantly the reasons why, on occasions, it's worth paying a little more for a product that may look similar to a cheaper alternative but is much better.

norman says

ADJUSTABLE PIPE WRENCHES
- PART NO. 679

One of the few wrenches of this type manufactured to British standards. This guarantees durability and performance. The handle colour is electrostatically painted - like chrome plating but with paint!
