

Norman is a real person and is our expert head of Quality Assurance. Norman appears here to bring to your attention features, technical or quality issues.

More importantly the reasons why, on occasions, it's worth paying a little more for a product that may look similar to a cheaper alternative but is much better.

norman says

DUST MASKS - When selecting dust and toxic fume protection masks, please refer to Health & Safety Executive HSG53 'Respiratory Protective Equipment at Work' for more detailed information.
