More importantly the reasons why, on occasions, it's worth paying a little more for a product that may look similar to a cheaper alternative but is much better.

Norman Says

EXTENDING FLEXIBLE HANDLE Stock No. 56774 extends from 400mm to 600mm allowing the user to access awkward parts of vehicle engines. Especially useful in commercial vehicles where due to the size of the engine, components tend to be more widely spaced within the engine compartment.
