

**HOZELOCK**

English - 2017

With over half a century of horticultural expertise, at Hozelock we understand the rewards of gardening and we want to help gardeners get the most from their garden.

We combine a knowledge and passion for gardening with a pride in craftsmanship to develop solutions to help gardens flourish and come to life.

# Designed by gardeners for gardeners

## Consumer driven innovation

For over 50 years we have specialised in finding and meeting the needs of gardeners. Today that ambition for innovation is stronger than ever.

Our intensive research and development programme continues to deliver exciting new products year on year, meeting the increasing demands of today's gardening consumers.

Ultimate Hose

Ultra Twist

New  
"Pico  
Power"

# the Small & Mighty pressure washer

The new Hozelock Pico Power delivers all the performance you need in a small, versatile unit for effortless cleaning around your home.

## Incredible cleaning power

The powerful 140 bar (max) motor and pump delivers maximum power ensuring cleaning around your home is a breeze.

## Size does matter

Keeping the size to an absolute minimum allows the Pico Power to be stored with ease, keeping your shed, car or cupboard clutter free.

## Feel the difference

The 6mm high pressure hose delivers 100% of the power at only 50% of the weight\*, providing the feeling as though you are not even connected.

*\*compared to a regular 11.5mm HPC hose*

## On road. Off road

All outdoor spaces are different and that is why the Pico Power has been designed to be easily transported by the towing handle or carried via the comfortable carry handle.

# The new generation of hose

- Hozelock Superhoze

The expanding hose that many consumers love, by a brand they can trust

Its dynamic design enables the Superhoze to expand up to three times its original length for easy reach and then shrink back in size after use for convenient storage.

## Kink free, hassle free, care free

The Superhoze does not kink or tangle, ensuring continuous water flow, making it a pleasure to use.

## Easy watering

Small in size and light to hold, the Superhoze makes manoeuvring and watering around your garden easy.

## Designed to perform

A hardwearing and UV resistant polyester outer, ensures the Superhoze will continue to perform season after season in any garden, terrace or balcony.

## Total peace of mind

High quality Hozelock connectors and compatibility with all systems, ensures the Superhoze works seamlessly in your garden.

Hozelock continues to develop the range of premium watering products to meet the increasing expectations of modern consumers who demand improved quality and product specification.

## Premium Hose End

The **new** Hozelock Jet Spray and Multi Spray Ultramax are among the most durable and robust watering accessories in the world. The solid zinc alloy body is designed to withstand the most rugged of environments and is guaranteed for 5 years. The products are complete with category leading features that live up to the expectations of professional consumers.

For those consumers who want durability without the weight of a solid metal body the **new** Hozelock Jet Spray and Multi Spray Pro are ideal, with strong metal connection and polished stainless steel accents. The products are enhanced with premium

features including lockable variable flow trigger, separate flow control and precise spray patterns.

“Hi, I’m Bizzi, Hozelock’s new and helpful mascot. You’ll be seeing more of me soon!”
