

SAFETY DATA SHEET

Doff Azalea, Camellia & Rhododendron Feed

Product Code: JI

| | | 1 of 2 |
|--|--|---|
| 1. Identification of the Prepar | | |
| 1.1 Name of Preparation / Re | egistration Number/ | Doff Azalea, Camellia & Rhododendron Feed |
| Identification: | | N/A |
| Packaging: | | HDPE bottle CRC |
| Size: | | Up to 1.25 litre |
| 1.2 Intended Use: | | As a home garden fertiliser |
| 1.3 Supplier Details: | | |
| Doff Portland Ltd | | CUSTOMER HELPLINE: 0115 9834300 |
| Aerial Way | | FAX: 0115 9834330 |
| Hucknall | | E-MAIL help@doff.co.uk |
| Nottingham | | www.doff.co.uk |
| NG15 6DW | | |
| Marketing Company | | |
| As above | | |
| 2. Hazards Identification | | |
| 2.1 Classification of Preparat | tion: | Not classified as hazardous. |
| 2.2 Primary Hazards: | | N/A |
| 3. Information on Ingredients | | |
| 3.1 Composition: | | ARATION IS NOT CLASSIFIED AS DANGEROUS UNDER E 1999/45/EC |
| Non-hazardous Components - | | |
| | | |
| | Fertiliser | NPK (typical) 6 – 3 - 7 |
| Aqueous solution 4. First Aid Measures | Fertiliser | NPK (typical) 6 – 3 - 7 |
| Aqueous solution | Fertiliser N/A | NPK (typical) 6 – 3 - 7 |
| Aqueous solution 4. First Aid Measures | N/A Remove to fresh air. S | NPK (typical) 6 – 3 - 7 eek medical attention if respiratory irritation develops or breathing |
| Aqueous solution 4. First Aid Measures 4.1 Any Special Measures: | N/A Remove to fresh air. S becomes difficult. Skin - Wash affected a | eek medical attention if respiratory irritation develops or breathing areas with soap and water. Seek medical attention if irritation |
| Aqueous solution 4. First Aid Measures 4.1 Any Special Measures: 4.2 Inhalation: | N/A Remove to fresh air. S becomes difficult. Skin - Wash affected a develops or persists. F | eek medical attention if respiratory irritation develops or breathing |
| Aqueous solution 4. First Aid Measures 4.1 Any Special Measures: 4.2 Inhalation: 4.3 Skin & Eye Exposure: | N/A Remove to fresh air. S becomes difficult. Skin - Wash affected a develops or persists. H develops or persists. | eek medical attention if respiratory irritation develops or breathing areas with soap and water. Seek medical attention if irritation Eyes - Irrigate with clean water. Seek medical attention if irritation |
| Aqueous solution 4. First Aid Measures 4.1 Any Special Measures: 4.2 Inhalation: | N/A Remove to fresh air. S becomes difficult. Skin - Wash affected a develops or persists. E develops or persists. Rinse mouth with wate | eek medical attention if respiratory irritation develops or breathing areas with soap and water. Seek medical attention if irritation |
| Aqueous solution 4. First Aid Measures 4.1 Any Special Measures: 4.2 Inhalation: 4.3 Skin & Eye Exposure: 4.4 Ingestion: | N/A Remove to fresh air. S becomes difficult. Skin - Wash affected a develops or persists. H develops or persists. | eek medical attention if respiratory irritation develops or breathing areas with soap and water. Seek medical attention if irritation Eyes - Irrigate with clean water. Seek medical attention if irritation |
| Aqueous solution 4. First Aid Measures 4.1 Any Special Measures: 4.2 Inhalation: 4.3 Skin & Eye Exposure: 4.4 Ingestion: 5. Fire Fighting Measures | N/A Remove to fresh air. S becomes difficult. Skin - Wash affected a develops or persists. H develops or persists. Rinse mouth with wate symptomatically. | eek medical attention if respiratory irritation develops or breathing areas with soap and water. Seek medical attention if irritation Eyes - Irrigate with clean water. Seek medical attention if irritation er. Do not induce vomiting. Drink large quantities of water. Treat |
| Aqueous solution 4. First Aid Measures 4.1 Any Special Measures: 4.2 Inhalation: 4.3 Skin & Eye Exposure: 4.4 Ingestion: 5. Fire Fighting Measures 5.1 Suitable Extinguishing M | N/A Remove to fresh air. S becomes difficult. Skin - Wash affected a develops or persists. H develops or persists. Rinse mouth with wate symptomatically. | eek medical attention if respiratory irritation develops or breathing areas with soap and water. Seek medical attention if irritation Eyes - Irrigate with clean water. Seek medical attention if irritation er. Do not induce vomiting. Drink large quantities of water. Treat As appropriate for surrounding fire. |
| Aqueous solution 4. First Aid Measures 4.1 Any Special Measures: 4.2 Inhalation: 4.3 Skin & Eye Exposure: 4.4 Ingestion: 5. Fire Fighting Measures 5.1 Suitable Extinguishing M 5.2 Unsuitable Extinguishing | N/A Remove to fresh air. S becomes difficult. Skin - Wash affected a develops or persists. I develops or persists. Rinse mouth with wate symptomatically. | eek medical attention if respiratory irritation develops or breathing areas with soap and water. Seek medical attention if irritation Eyes - Irrigate with clean water. Seek medical attention if irritation er. Do not induce vomiting. Drink large quantities of water. Treat |
| Aqueous solution 4. First Aid Measures 4.1 Any Special Measures: 4.2 Inhalation: 4.3 Skin & Eye Exposure: 4.4 Ingestion: 5. Fire Fighting Measures 5.1 Suitable Extinguishing M 5.2 Unsuitable Extinguishing 5.3 Special Hazards, Combus | N/A Remove to fresh air. S becomes difficult. Skin - Wash affected a develops or persists. I develops or persists. Rinse mouth with wate symptomatically. | eek medical attention if respiratory irritation develops or breathing reas with soap and water. Seek medical attention if irritation Eyes - Irrigate with clean water. Seek medical attention if irritation er. Do not induce vomiting. Drink large quantities of water. Treat As appropriate for surrounding fire. As appropriate for surrounding fire. None known. |
| Aqueous solution 4. First Aid Measures 4.1 Any Special Measures: 4.2 Inhalation: 4.3 Skin & Eye Exposure: 4.4 Ingestion: 5. Fire Fighting Measures 5.1 Suitable Extinguishing M 5.2 Unsuitable Extinguishing M 5.3 Special Hazards, Combus 5.4 Protective Clothing for Fi | N/A Remove to fresh air. S becomes difficult. Skin - Wash affected a develops or persists. H develops or persists. Rinse mouth with wate symptomatically. (dedia: Media: stion or by Products: ire Fighting: | eek medical attention if respiratory irritation develops or breathing areas with soap and water. Seek medical attention if irritation Eyes - Irrigate with clean water. Seek medical attention if irritation er. Do not induce vomiting. Drink large quantities of water. Treat As appropriate for surrounding fire. As appropriate for surrounding fire. |
| Aqueous solution 4. First Aid Measures 4.1 Any Special Measures: 4.2 Inhalation: 4.3 Skin & Eye Exposure: 4.4 Ingestion: 5. Fire Fighting Measures 5.1 Suitable Extinguishing M 5.2 Unsuitable Extinguishing 5.3 Special Hazards, Combus | N/A Remove to fresh air. S becomes difficult. Skin - Wash affected a develops or persists. H develops or persists. Rinse mouth with wate symptomatically. [edia: Media: stion or by Products: ire Fighting: res Avoid contact wi | eek medical attention if respiratory irritation develops or breathing areas with soap and water. Seek medical attention if irritation Eyes - Irrigate with clean water. Seek medical attention if irritation er. Do not induce vomiting. Drink large quantities of water. Treat As appropriate for surrounding fire. As appropriate for surrounding fire. None known. As appropriate for surrounding fire. th spilled product or contaminated surfaces. When dealing with |
| Aqueous solution 4. First Aid Measures 4.1 Any Special Measures: 4.2 Inhalation: 4.3 Skin & Eye Exposure: 4.4 Ingestion: 5. Fire Fighting Measures 5.1 Suitable Extinguishing M 5.2 Unsuitable Extinguishing M 5.3 Special Hazards, Combus 5.4 Protective Clothing for Fi 6. Accidental Release Measures | N/A Remove to fresh air. S becomes difficult. Skin - Wash affected a develops or persists. F develops or persists. Rinse mouth with wate symptomatically. Iedia: Media: Stion or by Products: ire Fighting: res Avoid contact wi spillage do not ea ns: Do not allow spil | eek medical attention if respiratory irritation develops or breathing areas with soap and water. Seek medical attention if irritation Eyes - Irrigate with clean water. Seek medical attention if irritation er. Do not induce vomiting. Drink large quantities of water. Treat As appropriate for surrounding fire. As appropriate for surrounding fire. None known. As appropriate for surrounding fire. th spilled product or contaminated surfaces. When dealing with at, drink or smoke. llages to enter into drains, rivers or watercourses. Large scale |
| Aqueous solution 4. First Aid Measures 4.1 Any Special Measures: 4.2 Inhalation: 4.3 Skin & Eye Exposure: 4.4 Ingestion: 5. Fire Fighting Measures 5.1 Suitable Extinguishing M 5.2 Unsuitable Extinguishing M 5.3 Special Hazards, Combus 5.4 Protective Clothing for Fi 6. Accidental Release Measur 6.1 Personal Precautions: 6.2 Environmental Precaution | N/A Remove to fresh air. S becomes difficult. Skin - Wash affected a develops or persists. If develops or persists. Rinse mouth with wate symptomatically. Iedia: Media: Stion or by Products: ire Fighting: res Avoid contact wi spillage do not ea ons: Do not allow spil spillages advise r | eek medical attention if respiratory irritation develops or breathing areas with soap and water. Seek medical attention if irritation Eyes - Irrigate with clean water. Seek medical attention if irritation er. Do not induce vomiting. Drink large quantities of water. Treat As appropriate for surrounding fire. As appropriate for surrounding fire. None known. As appropriate for surrounding fire. It spilled product or contaminated surfaces. When dealing with at, drink or smoke. Ilages to enter into drains, rivers or watercourses. Large scale relevant authorities of contamination of water courses/ public water |
| Aqueous solution 4. First Aid Measures 4.1 Any Special Measures: 4.2 Inhalation: 4.3 Skin & Eye Exposure: 4.4 Ingestion: 5. Fire Fighting Measures 5.1 Suitable Extinguishing M 5.2 Unsuitable Extinguishing M 5.3 Special Hazards, Combus 5.4 Protective Clothing for Fi 6. Accidental Release Measur 6.1 Personal Precautions: 6.2 Environmental Precaution 6.3 Clean & Disposal Method | N/A Remove to fresh air. S becomes difficult. Skin - Wash affected a develops or persists. If develops or persists. Rinse mouth with wate symptomatically. Iedia: Media: Stion or by Products: ire Fighting: res Avoid contact wi spillage do not ea ons: Do not allow spil spillages advise r | eek medical attention if respiratory irritation develops or breathing areas with soap and water. Doff Azalea, Camellia & Rhododendron Feed 2 of 2

| 8. Exposure Control & Personal Protection | n |
|--|--|
| 8.1 Exposure Limit Values: | Exposure limits: non-assigned. |
| 8.2 Occupational Exposure Controls: | Not determined for product. |
| 8.3 Personal Protective Equipment: | As an amateur use product there is no requirement for personal protection. |
| 9. Physical & Chemical Properties | |
| 9.1 Appearance: | Light Green liquid |
| 9.2 Odour: | Ammonical |
| 9.3 pH: | Not specified |
| 9.4 Boiling Point/Range: | Not specified |
| 9.5 Flash Point/Flammability: | Not classified as flammable |
| 9.6 Explosive Properties: | Not classified as explosive |
| 9.7 Oxidising Properties: | Not classified as oxidising |
| 9.8 Vapour Pressure: | Not specified |
| 9.9 Relative Density: | Not specified |
| 9.10 Solubility: | Not specified |
| 9.11 Partition Coefficient: | Not specified |
| 9.12 Viscosity: | Not specified |
| 9.13 Vapour Density: | Not specified |
| 9.14 Evaporation Rate: | Not specified |
| 10. Stability & Reactivity | |
| 10.1 Materials to Avoid: | None known. |
| 10.2 Conditions to Avoid: | Protect from frost, moisture or excess heat. |
| 10.3 Hazardous Decomposition Products: | |
| 11. Toxicological Information | |
| No adverse effects. | |
| 12. Ecological Information | |
| 12.1 Eco Toxicity: | No harmful effects if used as recommended. |
| 12.2 Mobility: | N/A |
| 12.3 Persistence & Degradability: | N/A |
| 12.4 Bio Accumulative Potential: | N/A |
| | |
| 13. Disposal Consideration | |
| 13.1 Disposal of Used Preparation: | Dispose of excess product on waste ground. |
| 13.2 Disposal of Packaging: | Dispose of empty container in household waste. |
| 14. Transport Information | |
| 14.1 Specific Transport Requirements: | This preparation is not classified as Dangerous Goods for Transport. |
| 15. Regulatory Information | |
| | accordance with the Fertilisers Regulations 1991 and subsequent amendments |
| and Directive 1999/45/EC. | |
| Keep out of reach of children. | |
| 16. Other Information | |
| Compiled using data submitted for raw mate | rials, specific data and practical experience. |
| | |

This product is intended for amateur use only.

This Safety Data Sheet is prepared in compliance with Directive 1999/45/EC and also Annex II of the REACH regulation 1097/2006

The information given in this safety data sheet is correct to the best of our knowledge at the date of issue. It is intended as a guide for the safe use, handling, disposal, storage and transportation and is not intended as warranty or as a specification. Recipients of our products must take responsibility for observing the law and regulations. The information relates only to the product supplied and may not be suitable for use with other product materials other than those described within. Doff Portland Limited disclaims any liability for loss or damage resulting from the use of this data, information suggestions.
