

STONEMARKET

MATERIAL SAFETY DATA SHEET

1) IDENTIFICATION OF THE SUBSTANCE/PREPARATION AND OF THE COMPANY/UNDERTAKING

Identification of substance	Fast Point
Product description	Self-binding jointing sand for domestic paving systems
Manufacturer/Supplier	Stonemarket Oxford Road Ryton on Dunsmore Warwickshire
Telephone number	CV8 3EJ 02476 518700

2) HAZARDS IDENTIFICATION

Most important hazards	This preparation is not classified as dangerous according to Directive 1999/45/EC
Specific hazards	No risks worthy to mention

3) COMPOSITION/INFORMATION ON INGREDIENTS

Description of the preparation	Mixture
--------------------------------	---------

4) FIRST AID MEASURES

General advice	No special measures are necessary
Inhalation	Seek medical attention if problems persist
Skin contact	After contact with skin, was immediately with soap and water
Eye contact	Rinse immediately carefully and thoroughly with eye-bath or water
Ingestion	If accidentally swallowed remove from exposure and seek medical attention if required

5) FIRE-FIGHTING MEASURES

Suitable extinguishing media	Water
Specific fire hazard	Material is not combustibile
Special protective equipment	Wear chemical resistant suit
Additional information	Contaminated fire-fighting water must be collected separately

6) ACCIDENTAL RELEASE MEASURES

Personal precaution	None
Environmental precaution	To clean the floor and all objects contaminated by this material
Method for cleaning up	Water

7) HANDLING AND STORAGE

Handling

- | | |
|------------------------|-----------------------------|
| • Precaution | None |
| • Technical condition | |
| • Safe handling advice | Material is not combustible |

Storage

- | | |
|---------------------------|----------------------------------------------------------------|
| • Precaution | |
| • Storage condition | Keep container tightly closed in a cool, well-ventilated place |
| • Packaging/tank material | |
-

8) EXPOSURE CONTROLS/PERSONAL PROTECTION

Control parameter

- | | |
|------------------|----------------------------------------------------------------------------------------------|
| • Exposure limit | Does not contain substances above concentration limits fixing an occupational exposure limit |
|------------------|----------------------------------------------------------------------------------------------|

Personal protection equipment

- | | |
|----------------------------|----------------------------------------------------------------|
| • Respiratory protection | Not required |
| • Hand protection | Suitable material: Butyl rubber, NBR (Nitrile rubber) |
| • Skin and body protection | Street clothing should be stored separately from work clothing |
| • Eye protection | Tightly sealed safety goggles |
-

9) PHYSICAL AND CHEMICAL PROPERTIES

General information

- | | |
|--------------|----------------|
| • Appearance | Granulate |
| • Colour | Grey yellow |
| • Odour | Characteristic |

Important health, safety and environmental information

- | | |
|--------------------------------|------------------------|
| • pH | Not applicable |
| • Melting point/range | 140 °C |
| • Ignition temperature | > 400 °C non oxidising |
| • Flash point | Not applicable |
| • Explosion limits | |
| • Relative density (water = 1) | 1.65 g/cm ³ |
| • Water solubility | 0.01 g/l |
| • Fat solubility | |
| • Solvent solubility | |
-

10) STABILITY AND REACTIVITY

Stability	Product is stable
Materials to avoid	Product is stable
Hazardous decomposition products	None

11) TOXICOLOGICAL INFORMATION

General information	None
Acute toxicity	
• Inhalation	None
• Skin contact	None
• Eyes contact	None
• Ingestion	None
Carcinogenic/mutagenic/toxic effects for reproduction	None
Further information	Toxicological data are not available

12) ECOLOGICAL INFORMATION

General information	
Environmental toxicity	No harm to water organisms up to the tested concentration <0.01 g/l Harmless for fish up to tested concentration Harmless for water fleas up to tested concentration
Other adverse effects	Do not allow uncontrolled leakage of the product into the environment Do not empty into drains or the aquatic environment

13) DISPOSAL CONSIDERATIONS

Waste/unused products	Fast Point is inert
Contaminated packaging	Shrink-wrapping must not be burnt, as toxic fumes are given off such as carbon monoxide, hydrocarbons and aldehydes.
Further information	Waste should be disposed of in accordance with local and national waste disposal regulations.

14) TRANSPORT INFORMATION

Fast Point is not classed as dangerous goods in any transport regulation.

15) REGULATORY INFORMATION

EC number	
Symbol	
R-phrases	
S-phrases	S21 When using do not smoke
Further information	Product does not require special labeling according to Directive 67/548/EEC.

16) OTHER INFORMATION

Accordinging legislation	Health & Safety at Work etc Act 1974 Consumer Protection Act 1987 Control of Substances Hazardous to Health Regulations (COSHH) 2002 Control of Substances Hazardous to Health (Amendment) Regulations 2004 Environmental Protection Act 1990 HSE Guidance Note EH40 (Workplace Exposure Limits) Manual Handling Operations Regulations 1992 (as amended) Chemicals (Hazard Information and Packaging for Supply) Regulations 2009
--------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Text of R-phrases

Important remarks

Use of the substance/preparation All-weather pointing material

Restrictions
