

INNOVATIVE DRILLING & TOOL SOLUTIONS

EBS^{DC} ELECTRICAL BOX SINKER DUST COLLECTION

ELECTRICAL BOX SINKER NOW INCLUDING DUST COLLECTION

DUST
COLLECTION
NOW AS
STANDARD

THE QUICKEST WAY TO PRODUCE A SQUARE HOLE FOR AN ELECTRICAL BACK BOX JUST GOT EVEN QUICKER.

Not only can you drill a square hole in under 2 minutes, you can now minimise clean up time with the EBS round Dust Collection Shroud. There is no need for attaching a vacuum, the debris simply collects in the bottom of the shroud.

The Dust Collection unit now comes as standard with all EBS sets.

EBS Single Set - EBS.HMSET.DC

EBS Double Set - EBS.HMDBSET.DC

EBS Super Set - EBS.SSET.DC

CHCTM CHANNELLING CHISELS
