

STORED & SECURED.

STACKER XL

Part No: S10890

LOAD IT. LOCK IT.

Customise your vehicle storage to suit. The Stacker XL provides lots of secure drawer space for valuable tools.

Useful on its own, the Stacker XL also expands your other Van Vault storage setup by combining with the Van Vault 2 or another Stacker XL, stack together without taking up any more floor space in your van.

The smooth-action drawer secures your tools but keeps them accessible.

The Stacker XL is certified by Sold Secure and Secured by Design, the UK's Police approved standard.

CONSTRUCTION

- Built with a solid steel body with fully phosphated anti-corrosion protection.
- Heavy duty roller bearings combined with full drawer runners provide a smooth drawer action.
- Soft foam insert protects tools from damage.
- Drawer will carry 300kg

INSTALLATION

- Compatible with Van Vault 2 and Stacker XL.
- Pre-drilled fixing points for easy installation to the vehicle floor and to other Van Vault products - instructions & bolts supplied.

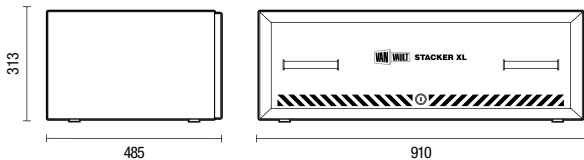

VAULTLOCK™

- Fitted with a highly effective 70mm anti-pick, anti-drill and anti-rust stainless steel disc lock.
- Positioned deep within the body of the drawer, protected by a hardened steel plate.
- Supplied with 3 keys.

ADDITIONAL FEATURES

- Steel grip handles for easy opening.
