8mm WET ROOM GLASS PANEL

Refer To Sheet 8 For Relevant Product Codes
ILLUSTRATION SHOWS A LEFT HAND PANEL

BEFORE YOU START, HERE IS SOME IMPORTANT INFORMATION

1) General Information

Please inspect this product upon delivery, any missing parts or manufacturing defects must be reported immediately to the supplier. Damage or defects reported later will not be accepted. **TAKE CARE WHEN HANDLING GLASS PARTS - AVOID HEAVY CONTACT BETWEEN THE GLASS EDGES AND ANY HARD SURFACE.** Glass breakage claims will not be accepted after the product has been unpacked.

Please note: Aluminium is a soft metal, and undergoes a series of extrusion, fabrication, polishing and anodising processes in order to create your finished shower enclosure. Some light surface marks are normal, and is a result of the manufacturing processes. Quality control has ensured that this item is of a good standard, and is fit for purpose.
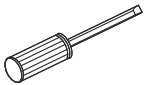

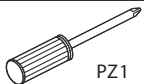

2) Additional Notes

Please read these instructions carefully before starting installation.
Special care should be taken when drilling walls to avoid hidden pipes or electrical cables.
Note: this product is heavy and may require two people to install.

CARE AND MAINTENANCE

1) AFTER CARE INSTRUCTIONS

Regularly clean your shower product with warm soapy water to prevent lime scale build up. Do not use abrasive cleaning fluids or materials, or strong chemical cleaners as this will damage the product surface.

2) MAINTENANCE

Clean the plastic parts with a cloth and mild detergent. Never use any abrasive creams, dissolvents, acetone or detergents and disinfectants that contain chlorine. The supplier accepts no liability for any type of use of care other than those contained in these instructions. The supplier reserves the right to introduce technical changes without notice.

COMMITMENT TO QUALITY

It is our intention that the quality and functions of this product are of the highest standard. If you require help we advise you firstly contact a competent plumber. However we understand that this may not always be the case, so should you experience any problems please contact our customer services quoting the following:
