Global company, environmentally friendly tools, superior performance

Greenworks Tools is the exclusive brand of the Globe Tools Group, a global concern with its headquarters in Charlotte, NC, USA – and the European headquarters in Sweden.

Globe Tools is a leading manufacturer and supplier of cordless garden tools in markets around the world. The business and manufacturing facilities are located in the Zhonglou Economy Development Zone in Changzhou, China, with a vertically integrated production. Manufacturing all components of the motors, plastics, metal & paint, and electronics enables the production of high quality tools and products while remaining highly flexible.

The 120,000 sqm factory's output capacity is 1,8 million completed units per month, with over 6,500 employees and more than 1,000 proprietary patents.

Greenworks Tools is leading the way in innovation, with its 900m² purpose built Research & Development facility in Jönköping, Sweden and are changing how consumers maintain their gardens by eliminating the frustrations that are found with traditional petrol powered equipment. Greenworks Tools - delivering innovative and cutting edge tools into the hands of consumers.

At-a-glance: why Battery is Best

Full Power and Performance

Performance Now
Beyond Petrol Tools

Environmentally Friendly in use

Zero exhaust fumes
Zero toxic emissions

Less Noise

Much quieter than petrol - better for operator & Sunday morning neighbours

Instant Start. Of course

None of the preparation (or hazard) issues associated with petrol

Less Vibration

Smooth electric rotary is far smoother than a petrol piston

Cutting Edge technology

21st Century Batteries

Rapid recharging

Can be as little as 30 minutes for 100% recharge

A few pence per recharge

Charging the battery costs peanuts

At-a-glance: why Brushless is better

Brushless DC motors have many advantages. The most obvious is that they have fewer parts to wear out or break than in a brushed motor.

So they are more reliable, cheaper to run, need little or no maintenance and more ...

LESS noise

Way quieter than brushed motors

NO maintenance

NO brushes - means little or NO maintenance

MORE TORQUE

Zero exhaust fumes
Zero toxic emissions

BETTER heat dissipation

No brushes - so no friction - means less heat to dissipate

NO sparking

NO brushes - so no friction and no sparking - leads to even faster speeds and more torque

More COMPACT design

Brushes take up a surprising amount of room, so brushless means handier, more compact designs

MORE SPEED

No brushes = less friction, so motor spins faster

One Battery fits all Tools

You buy just one charger and a couple of batteries to run ALL your Greenworks tools available in that voltage.

Having only two batteries allows you to work with one while the other is on charge.

Convenient, smart and a huge cost saving.

60V 2Ah (108wh) Battery
GWG60B2

Features:

- Lightweight 60V 2Ah (108wh) Lithium-Ion Battery
- Built-in LED Indicators to show charge level
- Quick Charge time of 60 minutes for 100%
- Batteries can be recharged at any stage with no 'negative memory' effect
- 60V high power interchangeable battery system
- 2 Year Domestic Warranty
- Weight: 1kg

60V 4Ah (216wh) Battery
GWG60B4

Features:

- Lightweight 60V 4Ah (216wh) Lithium-Ion Battery
- Built-in LED Indicators to show charge level
- Charge time of 120 minutes for 100%
- Double the Run time of the 2Ah Battery
- Batteries can be recharged at any stage with no 'negative memory' effect
- 60V high power interchangeable battery system
- 2 Year Domestic Warranty
- Weight: 1.5kg

60V Charger
GWG60C

Features:

- Charges the 60V 2Ah (108wh) battery with a full charge in 60 minutes
- Charges the 60V 4Ah battery with a full charge in 120 minutes
- Built-in LED Indicator to show charge level
- 60V high power interchangeable battery system
- 2 Year Domestic Warranty

*Based on an average cost of 11.87p per kWh

60V 46cm Hand Propelled Lawnmower with 2Ah (108wh) Battery & Charger GWGD60LM46HPK2

Features:

- 46cm (18") Cutting Width
- 3-in-1 Mulching, Rear Collect or Side discharge
- Single lever height adjustment
- 7 Cutting Heights: 25mm - 80mm
- Folding handles
- 55 Litre Collection Bag
- Digi-Pro Brushless engine
- Steel Cutting Deck
- Impact Motor Protection Technology
- Mower cutting standard = 30 mins (600 m2) with one 2Ah (108wh) Battery
- Comes with One 60V 2Ah (108wh) Li-Ion Battery & One Charger
- 60V high power interchangeable battery system
- Greenworks 60V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 60 minutes full charge time. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty
- Weight: 25kg

Also available as tool only Model: GWGD60LM46HP

60V 46cm Self Propelled Lawnmower with 2Ah (108wh) Battery & Charger GWGD60LM46SPK2

Features:

- 46cm (18") Cutting Width
- 3-in-1 Mulching, Rear Collect or Side discharge
- Single lever height adjustment
- 7 Cutting Heights: 25mm - 80mm
- Folding handles
- 55 Litre Collection Bag
- Digi-Pro Brushless engine
- Steel Cutting Deck
- Impact Motor Protection Technology
- Mower cutting standard = 30 mins (600 m2) with one 2Ah (108wh) Battery
- Comes with One 60V 2Ah (108wh) Li-Ion Battery & One Charger
- 60V high power interchangeable battery system
- Greenworks 60V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 60 minutes full charge time. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty
- Weight: 26kg

Also available as tool only Model: GWGD60LM46SP

60V Hedge Cutter with 2Ah (108wh) Battery & Charger GWGD60HTK2

Features:

- 54cm (21") Dual Action Blades
- Laser cut diamond ground steel blades
- 18mm Blade Gap
- 5 Position 180° Adjustable Handle
- Double Trigger operation
- Digi-Pro Brushless engine
- Low Power = 5 hours with One 2Ah Battery (No Load)
- Comes with One 60V 2Ah (108wh) Li-Ion Battery & One Charger
- 60V high power interchangeable battery system
- Greenworks 60V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 60 minutes full charge time. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty
- Weight: 3.8kg

Also available as tool only Model: GWGD60HT

60V Long Reach Hedge Cutter with 2Ah (108wh) Battery & Charger GWGD60PHTK2

Features:

- 51cm (20") Dual Action Blades
- 19mm cutting capacity
- Telescopic Aluminium shaft
- 5 Position 180° Adjustable Handle
- Digi-Pro Brushless engine
- Low Power = 5 hours with One 2Ah Battery (No Load)
- Comes with One 60V 2Ah (108wh) Li-Ion Battery & One Charger
- 60V high power interchangeable battery system
- Greenworks 60V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 60 minutes full charge time. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty
- Weight: 4.29kg

Also available as tool only Model #GWGD60PHT

60V Chainsaw with 2Ah (108wh) Battery & Charger GWGD60CS40K2

Features:

- 40cm (16") Bar & Chain
- 10.4m/sec Chain Speed
- Auto Oiler
- Tool-less chain tensioning
- Chain Brake & Safety Front Handle
- Digi-Pro Brushless engine
- Upto 100 cuts of 4x4" wood with One 2Ah (108wh) Battery
- Comes with One 60V 2Ah (108wh) Li-Ion Battery & One Charger
- 60V high power interchangeable battery system
- Greenworks 60V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 60 minutes full charge time. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty

Also available as tool only Model: GWGD60CS40

60V String Trimmer Bottom Mount Kit with 2Ah (108wh) Battery & Charger GWGD60LTK2

Features:

- 36cm (14") Cutting Width
- 2mm Twin Line
- Variable Speed Trigger
- Split shaft for transport
- Bump Feed Head
- Ergonomic front handle
- Digi-Pro Brushless engine
- Low power = 1 hour 50 mins with One 2Ah Battery (No Load)
Full power = 35 mins with One 2Ah Battery (No Load)
- Comes with One 60V 2Ah (108wh) Li-Ion Battery & One Charger
- 60V high power interchangeable battery system
- Greenworks 60V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 60 minutes full charge time. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty
- Weight: 3.5kg

Also available as tool only Model #GWGD60LT

60V Blower with 2Ah (108wh) Battery & Charger GWGD60ABK2

Features:

- 120mph (193km/h) Maximum air speed
- Variable speed with Cruise Control
- Turbo Button
- Cushion over mold grip for operator comfort
- 450 CFM Air Flow Rate
- Digi-Pro Brushless engine
- Low power = 1 hour 18 mins with One 2Ah (108wh) Battery
High power = 12 mins with One 2Ah (108wh) Battery
BOOST power = 8 mins with One 2Ah (108wh) Battery
- Comes with One 60v 2Ah (108wh) Li-Ion Battery & One Charger
- 60V high power interchangeable battery system
- Greenworks 60V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 60 minutes full charge time. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty

Powered by Innovation, not by Petrol™

GreenWorks Tools combines Lithium-ion battery technology with high-efficiency motors to create the largest selection of cordless outdoor tools with petrol-comparable performance.

G-Max 40V 2Ah (72wh) Lithium-ion battery

GWG40B2

Features:

- 40V Lithium-Ion Battery delivers fade-free power with no memory loss after charging
- Quick Charge time of 60 minutes for 100% & 80% only 35 minutes
- Built-in LED Indicators to show charge level
- One battery system for multiple tools of ers a complete garden work solution
- 40V high power interchangeable battery system
- 2 Year Domestic Warranty
- Weight: 0.8kg (GW) 1.4kg

G-Max 40V 4Ah (144wh) Lithium-ion battery

GWG40B4

Features:

- 40V Lithium-Ion Battery delivers fade-free power with no memory loss after charging
- Quick Charge time of 120 minutes for 100% & 80% only 70 minutes
- Built-in LED Indicators to show charge level
- One battery system for multiple tools of ers a complete garden work solution
- 40V high power interchangeable battery system
- 2 Year Domestic Warranty
- Weight: 0.8kg (GW) 1.4kg

G-Max 40V 60min Battery Charger

GWG40C

Features:

- Charges the 40V 2Ah (72wh) Battery to 80% in 35 minutes with a full charge taking 60 minutes
- Charges the G-40 4Ah battery to 80% in 70 minutes with a full charge taking 120 minutes
- LED's indicate charging has finished
- Wall mountable design
- Energy Star Rated
- 40V high power interchangeable battery system
- 2 Year Domestic Warranty
- Weight: 0.5kg (GW) 0.5kg

*Based on an average cost of 11.87p per kWh

G-Max Cordless 40V 35cm Mower with 2Ah (72wh) Battery & Charger GWG40LM35K2-A

Features:

- 35cm (14") Cutting Width
- Push button start
- Single lever height adjustment
- 5 Cutting Heights: 20mm - 80mm
- Folding handles
- 50 Litre Collection Bag
- Mower cutting standard = 300 m2 with Two 2Ah (72wh) Battery
- Easy fold over handles for compact and simple storage
- Ergonomic soft comfort handle with dual handed lever
- Comes with One 40v 2Ah (72wh) Li-Ion Battery & One Charger
- 40V high power interchangeable battery system
- Greenworks 40V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 60 minutes full charge time & an 80% charge taking only 35 minutes. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty
- Weight: 13.7kg

G-Max Cordless 40V 40cm Mower with Two 2Ah (72wh) Batteries and Charger GWG40LM41K2X

Features:

- 41cm (16") Cutting Width
- 2-in-1 Mulching or Rear Collection
- Single lever height adjustment
- 5 Cutting Heights
- Folding handles
- 55 Litre Collection Bag
- Mower cutting standard = 250 m2 with One 2Ah (72wh) Battery
- Comes with Two 40v 2Ah (72wh) Li-Ion Batteries & One Charger
- 40V high power interchangeable battery system
- Greenworks 40V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 60 minutes full charge time & an 80% charge taking only 35 minutes. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty
- Weight: 18.5kg

Also available as tool only Model: GWG40LM41

**G-Max Cordless 40V DigiPro 3-in-1
45cm (18") Mower
with Two 2Ah (72wh) Batteries &
Charger**

GWGD40LM45K2X

Features:

- 45cm (18") Cutting Width
- 3-in-1 Mulching, Rear Collect or Rear Discharge
- Single lever height adjustment
- 7 Cutting Heights: 28mm - 76mm
- Folding handles
- 50 Litre Collection Bag
- Mower cutting standard = 500 m2 with Two 2Ah (72wh) Battery
- Comes with Two 40v 2Ah (72wh) Li-Ion Batteries & One Charger
- 40V high power interchangeable battery system
- Greenworks 40V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 60 minutes full charge time & an 80% charge taking only 35 minutes. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty
- Weight: (with Battery) 22.8kg

Also available as tool only Model: GWGD40LM45

G-Max Cordless 40V Front Mount Trimmer
with 2Ah (72wh) Battery & Charger
GWG40LTK2-A

Features:

- 33cm (13") Cutting Width
- 1.6mm Twin Line
- Split shaft for transport
- Ergonomic front handle
- Upto 24 minutes run-time with One 2Ah (72wh) Battery
- Comes with One 40v 2Ah (72wh) Li-Ion Battery & One Charger
- 40V high power interchangeable battery system
- Greenworks 40V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 60 minutes full charge time & an 80% charge taking only 35 minutes. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty
- Weight: 3.1kg

G-Max Cordless 40V DigiPro 35cm (14") String Trimmer with 2Ah (72wh) Battery & Charger GWGD40BCK2

Features:

- 35cm (14") Cutting Width
- 2mm (.080") dual line bump-feed head
- DigiPro brushless motor
- Variable Speed Trigger
- Accepts attachments from multiple brands
- Includes: Power head, String trimmer attachment, Guard, Auxiliary Handle, Owner's Manual
- Upto 25 minutes run-time with One 2Ah (72wh) Battery
- Comes with One 40v 2Ah (72wh) Li-Ion Battery & One Charger
- 40V high power interchangeable battery system
- Greenworks 40V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 60 minutes full charge time & an 80% charge taking only 35 minutes. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty
- Weight: (with Battery) 5.55kg

Also available as tool only Model: GWGD40BC

G-Max Cordless 40V Hedge Cutter with 2Ah (72wh) Battery & Charger

GWG40HT61K2-A

Features:

- 61 cm (24") Dual Action Steel Blades
- Laser cut diamond ground blades
- Rotating Handle for various working angles
- Cushion overmolded grip for operator comfort
- New Planetary gearbox
- Upto 30 minutes run-time with One 2Ah (72wh) Battery
- Comes with One 40v 2Ah (72wh) Li-Ion Battery & One Charger
- 40V high power interchangeable battery system
- Greenworks 40V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 60 minutes full charge time & an 80% charge taking only 35 minutes. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty

GWGD40BVK2X

Features:

- DigiPro brushless motor
- Variable speed with a turbo button delivers up to 185 mph (300 km/h) of wind speed
- Push button start
- Lightweight design
- Up to 9.6 m³/min (340 CFM) air flow
- Cushion over mold grip for operator comfort
- Upto 15 minutes run-time with One 2Ah (72wh) Battery
- Comes with Two 40v 2Ah (72wh) Li-Ion Batteries & One Charger
- 40V high power interchangeable battery system
- Greenworks 40V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 60 minutes full charge time & an 80% charge taking only 35 minutes. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty

GreenWorks Tools high performance tools run longer than the competition and provide users with the versatility needed to get the task done. Our G-24 24 Volt lithium-Ion system is the mobile solution that makes life easier both inside and out.

G-24 24V 2Ah (22wh) Lithium-ion Battery

GWG24B2

Features:

- 24V Lithium-Ion Battery delivers fade-free power with no memory loss after charging
- Quick Charge time of 45 minutes for 100% & 80% only 25 minutes
- One battery system for multiple tools of ers a complete garden work solution
- Built-in LED Indicators to show charge level
- Compatible with Series III 24V Tools and Charger
- 24V high power interchangeable battery system
- 2 Year Domestic Warranty
- Weight: 0.47kg (GW) 0.5kg

G-24 24V 4Ah (44wh) Lithium-Ion Battery

GWG24B4

Features:

- 24V Lithium-Ion Battery delivers fade-free power with no memory loss after charging
- Quick Charge time of 90 minutes for 100% & 80% only 50 minutes
- One battery system for multiple tools of ers a complete garden work solution
- Built-in LED Indicators to show charge level
- Compatible with Series III 24V Tools and Charger
- 24V high power interchangeable battery system
- 2 Year Domestic Warranty
- Weight: 0.8kg

G-24 24V 45min Battery Charger

GWG24C

Features:

- Charges the 24V 2Ah (72wh) Battery to 80% in 25 minutes with a full charge taking 45 minutes
- Charges the 24V 4Ah battery to 80% in 50 minutes with a full charge taking 90 minutes
- LED's indicate charging has finished
- Wall mountable design
- Energy Star Rated
- 24V high power interchangeable battery system
- 2 Year Domestic Warranty
- Weight: 0.5kg (GW) 0.5kg

*Based on an average cost of 11.87p per kWh

G-24 24V Cordless 20cm (8") Polesaw with 2Ah (22wh) Battery & Charger GWG24PSK2

Features:

- 20cm (10") Bar & Chain
- Pole extends to 267cm
- Easy chain tensioning with quick adjust knob
- Automatic oiler
- Rear handle lock-of switch
- Upto 70 cuts of 10x10 wood with One 2Ah (22wh) Battery
- Comes with One 24V 2Ah (22wh) Li-Ion Battery & One Charger
- 24V high power interchangeable battery system
- Greenworks 24V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 45 minutes full charge time & an 80% charge taking only 25 minutes. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty
- Weight: (with Battery) 5.38kg

Also available as tool only Model: GWG24PS20

G-24 24V Cordless 51cm (20") Long Reach Hedge Trimmer with 2Ah (22wh) Battery & Charger GWG24PH51K2

Features:

- 51cm (20") Dual Action Blades
- 18mm cutting capacity
- Extended shaft
- Knuckle Guard
- Lock-of switch
- 7-position pivoting head
- Multiple position pivoting head
- Telescoping shaft extends to 2 m (79")
- Comes with One 24V 2Ah (22wh) Li-Ion Battery & One Charger
- 24V high power interchangeable battery system
- Greenworks 24V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 45 minutes full charge time & an 80% charge taking only 25 minutes. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty
- Weight: (with Battery) 4.68kg

Also available as tool only Model #GWG24PH51

G-24 24V Cordless 25cm (10") Chainsaw with 2Ah (22wh) Battery & Charger GWG24CSK2

Features:

- 25cm (10") Bar & Chain
- Auto oiler
- Cushion overmolded grips and handles
- 4.2m/sec Chain Speed
- Tool-less chain tensioning
- Rear handle lock-of switch
- Upto 50 cuts of 10x10 wood with One 2Ah (22wh) Battery
- Comes with One 24V 2Ah (22wh) Li-Ion Battery & One Charger
- 24V high power interchangeable battery system
- Greenworks 24V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 45 minutes full charge time & an 80% charge taking only 25 minutes. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty
- Weight: (with Battery) 3.78kg

Also available as tool only Model: GWG24CS25

**G-24 24V Cordless 30cm (12")
Trimmer & Edger
with 2Ah (22wh) Battery & Charger**
GWG24LTK2

Features:

- 30cm (12") Cutting Width
- Telescopic shaft
- Converts from trimmer to edger by rotating shaft
- Comes with One 24V 2Ah (22wh) Li-Ion Battery & One Charger
- 24V high power interchangeable battery system
- Greenworks 24V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 45 minutes full charge time & an 80% charge taking only 25 minutes. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty
- Weight: 2.8kg

Also available as tool only Model #GWG24LT30

**G-24 24V Cordless 54cm (21")
Hedge Trimmer
with 2Ah (22wh) Battery & Charger**
GWG24HT54K2

Features:

- 54cm (21") Dual Action Blades
- Aluminium blade sheath
- 17mm cutting capacity
- Double-trigger operation
- Upto 35 minutes run-time with One 2Ah (22wh) Battery
- Comes with One 24V 2Ah (22wh) Li-Ion Battery & One Charger
- 24V high power interchangeable battery system
- Greenworks 24V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 45 minutes full charge time & an 80% charge taking only 25 minutes. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty
- Weight: (with Battery) 3.64kg (GW) 4.6kg

Also available as tool only Model: GWG24HT54

G-24 24V Cordless 130mph (209km/h) Blower with 2Ah (22wh) Battery & Charger
GWG24BLK2

Features:

- 2-speed delivers wind speeds of 226 km/h (130mph)
- Lightweight design
- Comes with One 24V 2Ah (22wh) Li-Ion Battery & One Charger
- 24V high power interchangeable battery system
- Greenworks 24V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 45 minutes full charge time & an 80% charge taking only 25 minutes. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty
- Weight: (with Battery) 3kg

130 MPH	Zero Emissions	Two speed SWITCH	Light weight DESIGN
-------------------	--------------------------	-------------------------------	----------------------------------

Also available as tool only Model: GWG24BL

G-24 24V Cordless 115psi Compressor with 2Ah (22wh) Battery & Charger
GWG24ACK2

Features:

- 116 psi (8 bar) maximum pressure
- 2 Litre Tank capacity
- Maximum Airflow 40 Litres/Min
- 0.3hp Power
- Quick release fastener for compressed-air hose
- Oil Free pump design
- Upto 25 minutes run-time with One 2Ah (22wh) Battery
- Comes with One 24V 2Ah (22wh) Li-Ion Battery & One Charger
- 24V high power interchangeable battery system
- Greenworks 24V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 45 minutes full charge time & an 80% charge taking only 25 minutes. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty
- Weight: (with Battery) 6.5kg

8 bar Max Pressure	AIR FLOW 40 L/MIN	Oil Free
---------------------------------	---------------------------------------	-----------------

Also available as tool only Model #GWG24AC

GreenWorks Tools high performance tools run longer than the competition and provide users with the versatility needed to get the task done. Our G-24 24 Volt lithium-Ion system is the mobile solution that makes life easier both inside and out.

G-24 24V Cordless Compact Drill Driver (Tool Only)

GWG24DD

Features:

- Variable Speed with reverse
- 2 Gears and variable speed trigger
- 13mm keyless chuck
- Forward / Reverse Operation
- 24 clutch positions + Direct Drive
- Torque: 58Nm
- Max. Drill Diameter in Steel: 13mm
- Max. Drill Diameter in Wood: 33mm
- Max. Drill Diameter in Stone: 8mm
- Gear 1 Speed 0 - 450 rpm
Gear 2 Speed 0 - 1,750rpm
- Built-in LED Light
- Removable Belt Hook
- Greenworks 24V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 45 minutes full charge time & an 80% charge taking only 25 minutes. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty

G-24 24V Cordless Drill Driver (Tool Only)

GWGD24DD

Features:

- Variable Speed with reverse
- 2 Gears and variable speed trigger
- 13mm keyless chuck
- Forward / Reverse Operation
- 24 clutch positions + Direct Drive
- Torque: 62Nm
- Ergonomic Rubber overmolded handles
- Max. Drill Diameter in Steel: 13mm
- Max. Drill Diameter in Wood: 38mm
- Gear 1 Speed 0 - 450 rpm
Gear 2 Speed 0 - 1,850rpm
- Built-in LED Light
- Removable Belt Hook
- Greenworks 24V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 45 minutes full charge time & an 80% charge taking only 25 minutes. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty
- Weight: (with Battery) 2.15kg

Battery shown for illustrative purposes only - separate purchase

G-24 24V Cordless Combi Drill (Tool Only)

GWG24CD

Features:

- Drill, Screw & Hammer functions
- 13mm Quick Release Chuck
- Variable Speed Trigger
- Forward / Reverse Operation
- 24 + Max clutch positions
- Torque: 56Nm
- Max. Drill Diameter in Steel: 13mm
- Max. Drill Diameter in Wood: 33mm
- Max. Drill Diameter in Stone: 8mm
- Gear 1 Speed 0 - 450 rpm
Gear 2 Speed 0 - 1,750rpm
- Built-in LED Light
- Removable Belt Hook
- Greenworks 24V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 45 minutes full charge time & an 80% charge taking only 25 minutes. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty
- Weight: (with Battery) 1.88kg

G-24 24V Cordless Impact Driver (Tool Only)

GWG24ID

Features:

- 1/4-inch hex coupler
- No load speed: 0-3,200 rpm (min-1)
- 4,000 impacts per minute
- Variable Speed Trigger
- Forward / Reverse Operation
- Torque: 282Nm
- Ergonomic Rubber overmolded handles
- Built-in LED Light
- Removable Belt Hook
- Greenworks 24V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 45 minutes full charge time & an 80% charge taking only 25 minutes. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty
- Weight: (with Battery) 1.67kg

G-24 24V Cordless Impact Wrench (Tool Only)

GWG24IW

Features:

- 1/2-inch square coupler
- No load speed: 0-3,200 rpm (min-1)
- 4,000 impacts per minute
- Variable Speed Trigger
- Forward / Reverse Operation
- Torque: 300Nm
- Ergonomic Rubber overmolded handles
- Built-in LED Light
- Removable Belt Hook
- Greenworks 24V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 45 minutes full charge time & an 80% charge taking only 25 minutes. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty
- Weight: (with Battery) 1.67kg

G-24 24V Cordless Impact Wrench (Tool Only)

GWGD24IW

Features:

- 1/2-inch square coupler
- No load speed: 0-3,200 rpm (min-1)
- 4,200 impacts per minute
- Variable Speed Trigger
- Forward / Reverse Operation
- Torque: 327Nm
- Ergonomic Rubber overmolded handles
- Removable Belt Hook
- Greenworks 24V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 45 minutes full charge time & an 80% charge taking only 25 minutes. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty

Battery shown for illustrative purposes only - separate purchase

DIGIPRO
BRUSHLESS

**G-24 24V Cordless Impact Driver
(Tool Only)**

GWGD24ID

Features:

- 1/4-inch hex coupler
- No load speed: 0-3,200 rpm (min-1)
- 4,200 impacts per minute
- Variable Speed Trigger
- Forward / Reverse Operation
- Torque: 327Nm
- Ergonomic Rubber overmolded handles
- Built-in LED Light
- Removable Belt Hook
- Greenworks 24V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 45 minutes full charge time & an 80% charge taking only 25 minutes. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty
- Weight: (with Battery) 1.65kg

**G-24 24V Cordless Jig Saw
(Tool Only)**

GWG24JS

Features:

- Variable Speed trigger: 0 - 2,300 rpm (min-1)
- Stroke length: 25mm (1 inch)
- Cutting Depth Wood: 80mm
- Cutting Depth Steel: 8mm
- 3 Stages of orbital cutting action
- Aluminium base plate with plastic coating
- Tool-less blade change
- Includes 3 Jigsaw Blades
- Built-in LED light
- Greenworks 24V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 45 minutes full charge time & an 80% charge taking only 25 minutes. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty
- Weight: (with Battery) 2.26kg

G-24 24V Cordless Circular Saw (Tool Only)

GWG24CS

Features:

- No load speed: 4,300 rpm (min-1)
- 165mm blade
- Upto 45° bevel cut
- Maximum cut: 45° - 41mm, 90° - 54mm
- Rip fence
- Laser light cutting line
- Spindle lock
- Ergonomic Rubber overmolded handles
- Circular Saw Blade: 165 x 15.89 x 1.6mm
- Greenworks 24V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 45 minutes full charge time & an 80% charge taking only 25 minutes. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty

G-24 24V Cordless Reciprocating Saw (Tool Only)

GWG24RS

Features:

- Variable Speed trigger: 0 - 2,700 rpm (min-1)
- Cutting Depth in wood: 100mm
- Cutting Depth in plastic: 60mm
- Tool-less blade change
- Includes 2 Reciprocating saw blades
- Greenworks 24V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 45 minutes full charge time & an 80% charge taking only 25 minutes. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty
- Weight: (with Battery) 3.78kg

Battery shown for illustrative purposes only - separate purchase

G-24 24V Cordless Multi Tools (Tool Only)

GWG24MT

Features:

- 6 Speed settings: 6,000 - 20,000 rpm
- Multiple Functions: Sawing, Grinding & Sanding
- Oscillation angle: +1.5° (Total 3.0°)
- Orbital action: 3mm
- Ergonomic Rubber overmolded handles
- Includes Saw Blades, Abrasive Paper & Carry Case
- Greenworks 24V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 45 minutes full charge time & an 80% charge taking only 25 minutes. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty

G-24 24V Cordless Work Light (Tool Only)

GWG24WL

Features:

- 100 Lumens
- 20 hours run time
- Beam angle range: 135° (8 positions)
- Long operating life LEDs
- Ergonomic Rubber overmolded handles
- Removable Belt Hook
- Greenworks 24V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 45 minutes full charge time & an 80% charge taking only 25 minutes. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty
- Weight: (with Battery) 0.82kg

G-24 Cordless 24V Wet & Dry Vacuum with 2Ah (22wh) Battery & Charger

GWG24HVK2

Features:

- Wet & Dry use
- Crevice Tool
- Simple filter emptying
- Dust Container: 500ml
- Fluid Container: 100ml
- Upto 20 minutes run-time with One 2Ah (22wh) Battery
- Comes with One 24V 2Ah (22wh) Li-Ion Battery & One Charger
- 24V high power interchangeable battery system
- Greenworks 24V Lithium-Ion Battery delivers fade-free power with no memory loss after charging. 45 minutes full charge time & an 80% charge taking only 25 minutes. Complete with an LED 'Fuel' indicator, you always know how much power you have left.
- 2 Year Domestic Warranty

Also available as tool only Model #GWG24HV

All year round, a Greenworks Tools high pressure washer is a really handy bit of kit; you can clean the car, your bike, the garden furniture, fences, smelly wheelie bins, patios, wooden decking, stone flags...the list is endless.

G1 Portable Pressure Washer GWG1

Features:

- 1300 Watts Motor Power
- 100bar (1500psi) Max. Pressure
- 350 Litres Max Rated Flow per Hour
- Total Stop System - automatically shuts of the pump when the trigger is not engaged
- Motor with thermal protector
- Click-fast device connection
- Inspectable water f lter
- Horizontal and vertical operation
- Comes with Trigger gun, extension lance, adjustable jet nozzle, 0.5 litre foam spray bottle & 3m HP PVC hose
- 5m Electric Cable
- 2 Year Domestic Warranty
- Weight: 6.4kg

G2 Mobile Garden Pressure Washer

GWG2GAR

Features:

- 1400 Watts Motor Power
- 110bar (1600psi) Max. Pressure
- 400 Litres Max Rated Flow per Hour
- Total Stop System - automatically shuts of the pump when the trigger is not engaged
- Motor with thermal protector
- Click-fast device connection
- Inspectable water f lter
- Horizontal and vertical operation
- Comes with Trigger gun, extension lance, adjustable jet nozzle, patio cleaner, rotary jet nozzle, 0.5 litre foam spray bottle & 5m HP PVC hose
- 5m Electric Cable
- 2 Year Domestic Warranty

G3 Mobile Garden Pressure Washer

GWG3GAR

Features:

- 1500 Watts Motor Power
- 120bar (1740psi) Max. Pressure
- 400 Litres Max Rated Flow per Hour
- Total Stop System - automatically shuts of the pump when the trigger is not engaged
- Motor with thermal protector
- Click-fast device connection
- Inspectable water f lter
- Horizontal and vertical operation
- Comes with Trigger gun, extension lance, adjustable jet nozzle, patio cleaner, rotary jet nozzle, 0.5 litre foam spray bottle & 5m HP PVC hose
- 5m Electric Cable
- 2 Year Domestic Warranty
- Weight: (GW) 10kg

G4 Mobile Garden Pressure Washer

GWG4GAR

Features:

- 1700 Watts Motor Power
- 130bar (1900psi) Max. Pressure
- 420 Litres Max Rated Flow per Hour
- Total Stop System - automatically shuts of the pump when the trigger is not engaged
- Motor with thermal protector
- Click-fast device connection
- Inspectable water f lter
- Horizontal and vertical operation
- Comes with Trigger gun, extension lance, adjustable jet nozzle, patio cleaner, rotary jet nozzle, 0.5 litre foam spray bottle & 6m HP PVC hose
- 5m Electric Cable
- 2 Year Domestic Warranty

G5 Mobile Pressure Washer GWG5

Features:

- 2000 Watts Motor Power
- 140bar (2050psi) Max. Pressure
- 420 Litres Max Rated Flow per Hour
- Total Stop System - automatically shuts of the pump when the trigger is not engaged
- Motor with thermal protector
- Click-fast device connection
- Inspectable water f lter
- Horizontal and vertical operation
- Comes with Trigger gun, extension lance, adjustable jet nozzle, rotary jet nozzle, built-in detergent tank & 8m HP PVC hose
- 5m Electric Cable
- 2 Year Domestic Warranty

G7 Mobile Pressure Washer GWG7

Features:

- 2500 Watts Motor Power
- 150bar (2200psi) Max. Pressure
- 450 Litres Max Rated Flow per Hour
- Total Stop System - automatically shuts of the pump when the trigger is not engaged
- Water-cooled induction motor with thermal protection
- Click-fast device connection
- Inspectable water f lter
- Comes with Trigger gun, metal lance with adjustable spray nozzle, rotary nozzle, built-in detergent tank & 10m rubber hose with steel braid
- 5m Electric Cable
- 2 Year Domestic Warranty

G8 Mobile Pressure Washer

GWG8

Features:

- 3000 Watts Motor Power
- 160bar (2300psi) Max. Pressure
- 480 Litres Max Rated Flow per Hour
- Total Stop System - automatically shuts of the pump when the trigger is not engaged
- Water-cooled induction motor with thermal protection
- Click-fast device connection
- Inspectable water f lter
- Comes with Trigger gun, metal lance with adjustable spray nozzle, rotary nozzle, built-in detergent tank & 10m rubber hose with steel braid
- 5m Electric Cable
- 2 Year Domestic Warranty

The logo for Greenworks Tools is centered within a dark grey, shield-shaped frame with a white border. The word "greenworks" is written in a bold, sans-serif font, with "green" in a vibrant lime green and "works" in white. A small "TM" trademark symbol is positioned at the top right of the word "works". Below "greenworks", the word "TOOLS" is written in a smaller, white, all-caps, sans-serif font.
