

Data Sheet | Model: Armorgard

Armorgard TrekDror™ Stacking kit TKDSPK

-  The TrekDror stacking kit allows you to easily and safely stack and secure multiple TrekDrors on top of each other.
-  The kit consists of 4 flat stacking brackets, 16x M6x20mm bolts which are easily fitted into pre-tapped holes in each TrekDror unit.
-  Stacking the TrekDrors allows you to maximise the space in your van or workshop and keep your tools more organised so that you can work more efficiently.
-  All you need is one 10mm socket or spanner.
